THIS complaint has been going through courts in Washington, D.C. I know the coral. THAT people CAN'T STAND the way Television AND music category has went up in violence AND such vulgar language. Even though mine is a subliminal complaint. I agree with these people. Taking a similar approach. My guess is they probably were rewarded a relief. THIS is not trivial or untrue. THIS actually goes on Foral. I object. People are upset about Broadcasts and what they show on Television. THE Bloopers, Accident, Bloody, Gore, derogatory words, showing violence harsh comments, graphic words about water, busting, and discriminating words as I mentioned on page 1 in my description.

I HAVE also seen impersonating Rappers of my kind but Rap subliminal about me say for instance rapper DA Baby with some music video with a mail usps truck acting out in his music video. THAT Producer my first name Mel so called Marl. As in a mail man, or mail carrier. And Back in 1995 New Orleans Based Cash Money Records Rapper "Turk" shot a mail man in the Cash Money Film "Baller Blockin".

In accordance with the provisions of 28 U.S.C. § 636(c) and Federal Rule of Civil Procedure 73, you are hereby notified that the United States magistrate judges of this district court may, upon your consent, conduct any or all proceedings in this case, including a jury trial and entry of a final judgment. If you consent, any appeal from a judgment entered by a magistrate judge shall be taken directly to the United States Court of Appeals for this judicial circuit in the same manner as an appeal from any other judgment of a district court.

Magistrate judges have greater flexibility in their schedules than district judges, who have heavy criminal caseloads that take priority over civil trials. Accordingly, the magistrate judges are generally able to schedule prisoner civil rights cases for jury trial much sooner, and they are able to provide firm trial dates. Magistrate judges are experienced trial judges who handle a great number of prisoner civil rights cases.

Your decision to consent to the dispositive jurisdiction of a United States magistrate is entirely voluntary. If you do not consent to a magistrate judge, the case will be randomly assigned to a district judge. The magistrate judge already assigned to this case would continue to decide all pretrial matters and would handle all dispositive motions by report and recommendation.

Please check **ONE** box below to indicate whether you voluntarily consent to proceed with a United States magistrate judge or if you would instead prefer that the case be assigned to a district judge.

☒ I hereby voluntarily consent to the United States magistrate judge conducting all proceedings in this case, including entry of a final judgment and all post-judgment matters.

☐ I request that this case be assigned to a district judge.
